FLOOR PLAN

THE WEST WING

With seated capacity for up to 68 guests, The West Wing's set floor plan ensures comfort and convenience for you and your guests!

The space includes AUX, HDMI & USB connections, allowing the flexibility to play your own music and images of your lost loved one during your wake.

We understand that Wakes are difficult to provide a definitive guest count for, and as such any guests that overflow from The West Wing are welcome to sit outside of the function room on any unreserved tables.

This floor plan is set for all events and can not be altered.
